Conditions Governing Access note

All inquiries to view films require advanced notice of at least 48 business hours, and may necessitate notice of up to one week. Individual items, including those that are not available in modern formats, may require creation of an access surrogate. Applicable charges will apply.

Processing Information note

Since the contents of this Miscellaneous collection have inherently been separated from other archival holdings, the description of any individual item, or set of items, may also currently appear, in some form, in the finding aid for the originating collection.

Future processing, description, and presentation of Films will seek to address this issue as much as feasible.

Immediate Source of Acquisition

In most cases, the specific details of the provenance are unknown.

[^ Return to Table of Contents](#)

Related Materials

Separated Materials note

The majority of audiovisual materials have been physically separated from an archival collection.
