Biographical / Historical

Lyle Saunders, Ford Foundation Program Officer in the International Division (ID), was a member of the Foundation staff from 1964 until 1975. During this period, he held the following positions:

- January 1975, Program Officer, Population Office and Asia and Pacific, ID
- January 1974, Program Officer, Population Office, ID
- January 1973, Advisor in Program Management seconded to the IBRD - National Family Planning Coordinating Board, Jakarta, ID
- January 1971, Program Advisor, A&P, Southeast Asia (Thailand), ID
- May 1968, Program Officer, Population Office, ID
- July 1967, Program Advisor, Population Office (Malaysia), ID
- January 1967, Program Officer, Population Office, ID

• October 1966, Associate Director, Population Program, OD • February 1964, Program Associate, Population Program, OD

Lyle Saunders was born October 16, 1907. He received his B.A. and M.A. degrees in 1938 and 1943 respectively, from the University of New Mexico. He did additional course work at the Universities of Chicago and Texas.

Prior to Saunders' career with the Ford Foundation, he held the following positions:

• 1942-1951, University of New Mexico Assistant Professor of Sociology, School of Inter-American Affairs • 1951-1964, University of Colorado, Associate Professor of Sociology, Associate Professor of the Department of Preventive Medicine, Acting Head of the Department of Preventive Medicine and Public Health, School of Medicine, Director of the Institute of Behavioral Science • 1961-1962, Government of India Advisor in Research and Evaluation, Central Health Education Bureau

Following his retirement from the Ford Foundation, Mr. Saunders served the Foundation as a consultant on population related matters off and on from March 1976 until September 1980. He now resides in Santa Fe, New Mexico.

Scope and Contents

These papers, which consist of two boxes of correspondence, inter-office memoranda, and reports, are concerned with the International Division's Population Program for the years 1963 to 1970.

The papers, which are broad in scope, yet lacking in quantity and depth, include material related to population conferences attended by FF staff, overseas program population files, budget material, and other areas of Foundation family planning involvement, including contraceptive research. The papers are indicative of the role Saunders played within the Population Program.

There is also one box of correspondence that Saunders maintained with FF colleagues, grantee organizations, and other individuals in the population field.
