Revision Description

Paper finding aid converted to EAD/XML by AureXus in 2010. Imported into the Archivists' Toolkit by Becky Robbins. 24 August 2010

Conditions Governing Access note

Open for research with select materials restricted as noted. Brittle or damaged items are available at the discretion of RAC. Researchers interested in accessing digital media (floppy disks, CDs, DVDs, etc.) or audiovisual material (audio cassettes, VHS, etc.) in this collection must use an access surrogate. The original items may not be accessed because of preservation concerns. To request an access surrogate be made, or if you are unsure if there is an access surrogate, please contact an archivist.

Processing Information

Processed by C. Kopp, 1980s.

Collection Inventory

Title/Description	Instances	
1966-1971		
Scope and Contents		
Conference material, manuscripts, notices and memoranda, posters, printed matter, slides, correspondence, minutes, manuscripts, report, drafts, laboratory notes, clippings and reprints.		
Box 1 consists primarily of materials collected or photographed by Dr. Chase during the student unrest of 1969 and 1970. A few earlier and later items are also included, as well as material from a conference on "Lead poisoning in children" held at the University on 25-26 March 1969.		
<u>Immediate Source of Acquisition:</u>		
Immediate Source of Acquisition		
The materials in Box 1 were transferred to the Rockefeller University Archives by Dr. Chase as a single group. Received or inventoried 1980 December 23.		
<u>Conditions Governing Access:</u>		
Conditions Governing Access		
Restricted for a period of ten (10) years from the date of gift.		
Conference material: Lead poisoning in children, Rockefeller University, 25-26 March. 1969. Program, news releases, miscellaneous, 1969 March 25-26	box 1	folder 1

Manuscripts	box 1	folder 2
Proposal: "Rockefeller University Student Proposals" Spring 1968; "Comments on Rockefeller University Student Proposal, " by Alfred E. Mirsky and Sonia Wohl, 15 May 1968, Spring 1968		
Talk: "Projections from the Past to the Future (or Present) " by Merrill W. Chase, 1970 June 12		
Scope and Contents note Including lists of slides, letter from F. Seitz, and two letters, from and to, David Rockefeller.		
Notices and Memoranda, 1966-1971, undated	box 1	folder 3
Scope and Contents note Official notices and notices from Committee for a Democratic Society.		
Posters."E Pluribus Sickness" poster, with "Nine Lives Has a Cat". rhyme, undated	box 1	folder 4
Printed Matter	box 1	
The Newspaper, issued by Committee for a Democratic Society, Rockefeller University		
Vol. 1 Nos. 1,2,4,5,6, 1968 October-1969 June	box 1	folder 5
Vol. 2 Nos. 1,2,3,4,5, 1969 October-1970 June	box 1	folder 6
Vol. 3 No. 1, 1970 November	box 1	folder 6
(No vol. nos.) February 1972; May 1972 reprinted from March 1970 issue), 1970-1972	box 1	folder 6
Other clippings	box 1	folder 7
Slides: 48 slides showing posters, student marches, 1969 June-1970 September	box 1	folder 8
Student posters	package 1	
<u>Conditions Governing Access:</u> Conditions Governing Access Due to the oversize nature and potentially brittle condition of this material, special arrangements may be required in order to view materials. Individual items may be restricted due to preservation concerns.		

1969-1972

Arrangement

Box 2 Arranged first by subject, then chronologically.

Processing Information:

Processing Information

Box 2 C. Kopp, March, 1981.

Immediate Source of Acquisition:

Immediate Source of Acquisition

Box 2 Received in May, 1980.

Scope and Contents

Box 2: Correspondence, minutes, manuscripts, reports, drafts, laboratory notes, clippings and reprints.

Allergy Foundation of America. Expert Panel on Diagnostic Criteria for Allergic Disorders. Diseases include asthma and rhinitis, 1970-1972, 1975

box 2

folder 1

Scope and Contents note

Correspondence, minutes, questionnaires, reprints, notes.

Subjects: asthma, rhinitis.

Enzyme detergents. American Academy of Allergy. Ad Hoc Committee on Enzymes, 1980

Scope and Contents note

Note by M.W. Chase, 22 May 1980: "The materials here represent the story of the American Academy of Allergy fighting the soap industry's introduction of bacterial proteolytic enzymes into washing powders. The upshot is that the industry withdrew the addition of enzymes".

Enzyme Committee files, 1969 October-1971 December 1971 January

box 2

folder 2-3

Scope and Contents note

Correspondence, drafts of protocols, notes, manuscript of editorial published as "Sensitization to the enzymes in detergents" Lawrence M. Lichtenstein, I. Leonard Bernstein, Francis C. Lowell, Jordan N. Fink, David A. Levy, Solbert Permutt, Raymond G. Slavin, Sidney Leskowitz, Merrill W. Chase, Jerry Dolovich, Journal of Allergy 47 (January 1971) 53-55. Also includes some correspondence with Federal Trade Commission, New York Academy of Sciences, and Proctor and Gamble.

Published magazine and newspaper articles, reports, and manuscripts, 1970 March-1971 November

box 2

folder 4

Scope and Contents note

Clippings, reprints.
