Processing Information

Records have received minimal processing to establish initial intellectual and physical control of the holdings. Materials remain in original record cartons and folders.

This guide provides file level description. Each file may represent multiple folders.

Immediate Source of Acquisition

Program and Policy files transferred to the RAC by Rockefeller Foundation, 2009.

Conditions Governing Access

Records are open for research. Brittle or damaged items are available at the discretion of RAC.

Researchers interested in accessing digital media (floppy disks, CDs, DVDs, etc.) or audiovisual material (audio cassettes, VHS, etc.) in this collection must use an access surrogate. The original items may not be accessed because of preservation concerns. To request an access surrogate be made, or if you are unsure if there is an access surrogate, please contact a RAC archivist.

Conditions Governing Use

Rockefeller Foundation retains title, copyright and literary and intellectual property rights to the records, in so far as it holds them.

RAC has authority to grant permission to publish for scholarly purposes.
