### Conditions Governing Use note

RAC users must abide by all applicable provisions of U.S. copyright law. Reproduction/duplication of archival items is routinely provided in accordance with "fair use." If the RAC does not hold copyright for an archival collection or items within a collection, it is the user's responsibility to contact the copyright holder, or make a fair effort to do so, prior to publication.

### Conditions Governing Access note

Open for scholarly research, except where particular restrictions are noted.

RAC is unable to provide access to obsolete media and original digital media. In addition separated media may not yet have undergone stabilization procedures. When feasible, a digital surrogate may be created via special order. All applicable charges will apply. See RAC Head of Archival Services or RAC Head of Digital Programs for details
