Biographical / Historical

The John A. Hartford Foundation (JAHF) was established in 1929 by brothers John and George Hartford, sons of the founder of the Great Atlantic & Pacific Tea Company (A&P). The foundation is a private, nonpartisan philanthropy dedicated to improving the care of older adults.

For its first several decades, the foundation broadly supported clinical medical research. By 1982, it began to focus solely on geriatric healthcare. In 2015, JAHF paid out \$20.2 million on a total of 80 active grants and committed \$25.3 million to 24 new grants projects, all focused on the care of older adults.
