Biographical/Historical note

Publication of an Annual Report was started in 1955/1956 by Detlev Bronk. Short summaries of the work of the various laboratories replaced the reports which had been presented in the Annual Scientific Reports of previous administrations.

For 1960/1961 and 1961/1962 these summaries appeared in a publication called RESEARCH: FACULTY ACTIVITIES: PUBLICATIONS (see Rockefeller University Press, Books and Reports Department, Semi-Annual Lists). Publication was suspended 1962-1968 but in 1968 a single volume reported faculty publications for those years.

1968/1969 publication of the Annual Report resumed.

1972/1973 publication was divided into Annual report and Report of the President.

1979/1980 Annual report was combined with the RU CATALOG and published as SCIENTIFIC AND EDUCATIONAL PROGRAMS.

Title varies: 1955/1956-1959/1960 Rockefeller Institute annual report.

1955/1956-1959/1960 also numbered v. 1, no. 2 - v. 4, no. 2; v. 5, no. 3 in its Bulletin.
