Scope and Contents

This series contains program files, planning, and meeting records of the Picker/Commonwealth Fund Scholars Program. The majority of the material is grant administration files documenting the planning and implementation of the Picker Scholars Program. These records often include: proposals, administration and budget files, grant products, evaluation reports, related correspondence and background material. The series also contains files for each of the Picker Scholars 1993-1996. The scholars files include interim and final reports, administration of the fellowship, and related correspondence.
