## Scope and Contents note

---

These boxes contain account books, cash books, check books, journal and ledger books, and also notebooks.

The notebooks also appear to be concerned with experiments (especially scientific solutions) rather than money. Cross-references have been made in the card catalog under the person's name.

## Arrangement note

---

Arranged in chronological order with the exception of the notebooks, which are arranged according to the person's name. The dates are not always in perfect order - ie, the Cash books overlap each other (See Box 2, Folders 3-4).
