### NOTE TO RESEARCHERS

This series contains the office files of Joseph H. Boyd. They document official activities in the execution of his duties as a member of Nelson A. Rockefeller's staff. The actions, decisions, and exchanges of information or points of view documented here occurred in the course of proposing and implementing policies for the Rockefeller administration, political campaigns, and/or Rockefeller's personal activities. However, unless a document is specifically addressed to or from Rockefeller, or is referred to in a document addressed to him, it should not be assumed he saw the document or was aware of its existence

or substance. Furthermore, researchers should bear in mind that staff files may contain documents or drafts addressed to Rockefeller that were never shown to him.

## SCOPE AND CONTENT

This series contains a portion of the files of Joseph H. Boyd. These files primarily document Boyd's tenure as Congressional liaison officer for Governor Rockefeller. During 1967, Boyd maintained an office in Washington, DC, and held regular meetings with members of the New York State Congressional delegation. Almost all of the files pertain to that year, when he routinely spoke with members by telephone and represented the Governor in Washington. Boyd also served as Rockefeller's liaison to the New York State Legislature during this time. Boyd was a member of Governor Rockefeller's staff before as well as after serving in this role. The other files in this series cover his prior service as a Special Assistant to the Governor. Of note are memoranda and correspondence from Henry Kissinger and Edward Teller on such topics as foreign policy, defense spending, and the nuclear test ban treaty before the U.S. Senate Foreign Relations Committee in 1963 (Folders 42 and 43).
