Preferred Citation

Information regarding the Rockefeller Archive Center's preferred elements and forms of citation can be found at <http://www.rockarch.org/research/citations.php>

[^ Return to Table of Contents](#)

Biographical/Historical note

Martin A. Rizack is an editor for THE MEDICAL LETTER. THE MEDICAL LETTER on Drugs and Therapeutics is an independent, non-profit publication providing unbiased critical evaluation of Drugs in terms of their effectiveness, adverse effects and possible alternative medications.

[^ Return to Table of Contents](#)

Scope and Contents note

Published printed material supplied by non-profit publication.

Material consists of files used in preparing articles for THE MEDICAL LETTER for the years 1959 to 1977; each file consisting of drafts of the article, letters from consultants and manufacturers; and copies of published articles from the medical and scientific literature which were used in preparing the articles. Some in folders and some in envelopes.

Additional materials are available through 1985 (Boxes 398-688) which have received standard processing, and are described in an available PDF.

Revision Description

Paper finding aid converted to EAD/XML by AureXus in 2010. Imported into the Archvists' Toolkit by Becky Robbins. 2010 October 25

Conditions Governing Use

Use agreement is required prior to providing scholarly access. See RAC Head of Reference for assistance.

Immediate Source of Acquisition note

Initial Date received/inventoried : July 29, 1982. Rockefeller Archive Center receives additions to the collection on an annual basis.

Processing Information note

Initial processing by Gladys Lewis August 1982. Processing of additions to the collection are ongoing, and records are now available through 1985 (Boxes 398-688).

Conditions Governing Access note

Records are open for scholarly research twenty-five years after their creation.

Select files restricted as noted.
