Controlled Access Headings

- Medical education
- Medicine, Preventive
- Medical technology
- Medical sciences
- Cell and biomolecular sciences
- Medical research
- Life sciences
- Biology -- Research
- Science -- Study and teaching
- Rockefeller University Press

Physical Characteristics and Technical Requirements note

Materials requiring specialized equipment for access (film, audio, video, slides) may be closed to research dependent on availability of the applicable equipment

Brittle or damaged items, or materials otherwise in need of preservation care, may be closed to researchers at the discretion of the RAC Head of Archival Services/Head of Reference.
