## Arrangement

---

The Commonwealth Fund records are arranged in three subgroups, each comprised of multiple series and/or accessions. The subgroups and associated series numbers are representative solely of when the materials were processed by RAC, and do not imply an original order of the records. Additional finding aids are created as records are processed and open for research.

Subgroup 2 is arranged in 20 series or collections, primarily by record type or division/program.

### Conditions Governing Access

Open for research with select materials restricted as noted. Brittle or damaged items are available at the discretion of RAC. Researchers interested in accessing digital media (floppy disks, CDs, DVDs, etc.) or audiovisual material (audio cassettes, VHS, etc.) in this collection must use an access surrogate. The original items may not be accessed because of preservation concerns. To request an access surrogate be made, or if you are unsure if there is an access surrogate, please contact an RAC archivist.
