Biographical/Historical note

Alexander G. Bearn (1923-), a physician and scientist, was affiliated with the Rockefeller Institute for Medical Research starting in 1951. Prior to that he was a house physician at Guy's Hospital (1946-1947) and house physician in the Postgraduate Medical School (1948-1951), both in London. Subsequently, after joining the staff of RIMR, he was an associate professor (1957-1964) and then professor and senior physician (1964-1966). In 1966, he accepted the position of professor of medicine at Cornell University where he was the chairman of the department of medicine until 1977. During this period, he was physician-in-chief of New York Hospital.

Dr. Bearn has also served as a trustee of the Rockefeller University and the Helen Hay Whitney Foundation, a member of the board of scientific counselors of Memorial Sloan Kettering Cancer Center

and the National Institute of Arthritis, Metabolism and Digestive Diseases. Bearn also served as president of the Royal Society of Medicine Foundation, Inc.

Revision Description

Conditions Governing Use note

RAC users must abide by all applicable provisions of United States copyright law. Reproduction/ duplication of archival items is routinely provided in accordance with “fair use”. If the RAC does not hold copyright for an archival collection, or items within a collection, it is the users’ responsibility to contact the copyright holder, or make a fair effort to do so, prior to publication.

Processing Information note

Level 2 Minimal Processing. Some material remains in original file folders and storage boxes.

Conditions Governing Access note

Open for research with select materials restricted as noted. Brittle or damaged items are available at the discretion of RAC.
