## Scope and Contents

---

The Rockefeller University (formerly Rockefeller Institute for Medical Research), Campus Office Biographical Files, contains biographical information about Rockefeller professors, researchers, trustees, administrators, and other employees from its founding in 1901 through the early 2000s.

Many of the files contain newspaper clippings, published works, press releases from the University's Public Relations Office, photographs, negatives, curriculum vitas, and obituaries. Files that date from the 1920s through the 1940s may contain written applications for fellowships at the Institute.
