Conditions Governing Access

Collection is open for scholarly research, with select materials restricted as noted. Brittle or damaged items may be restricted at the discretion of the RAC.

Processing Information

Level 1 Preliminary Processing has been conducted to establish basic intellectual and physical control of the material and assess immediate preservation and conservation needs. Material remains as received, in original folders and storage boxes.

[^ Return to Table of Contents](#)

Related Materials

Separated Materials

Special format items (audio, film, video, digital media, library materials, memorabilia, oversize, and photographic material) have been separated from the body of the collection and assigned a unique separation number, as noted. Requests to access open special formats should reference the unique separation number.
