Processing Information

Level 1 Minimal Processing has been conducted to establish basic intellectual and physical control of the material and assess immediate preservation and conservation needs. Material remains as received, in original folders and storage boxes.

Conditions Governing Access note

Retrieval Requests:

All requests to view this collection are to be made by Box Number. Retrieval of individual folders is not permitted.

Conditions Governing Access note

Material is open for scholarly research, with prior archival review.

Material more than ten years old is open for scholarly research.

Select individual files are restricted, as noted. Permission to access these files must be obtained from the Ford Foundation before scholarly access is permitted.

Conditions Governing Use note

Completion of a use agreement is required prior to providing scholarly access. See RAC Head of Reference (or applicable designee) for details. Ford Foundation holds title, copyright and literary rights in the collection, in so far as it holds them. The Rockefeller Archive Center has authority to grant permission to cite and publish material from the collection for scholarly purposes. Permission to publish extensive excerpts, or material in its entirety, will be referred to the Ford Foundation.

Immediate Source of Acquisition note

Ford Foundation archive was deposited at RAC in 2011. Ford Foundation records, correspondence, reports, program files and officers papers were transferred to, and accessioned by, RAC beginning in 2011. Accessions continue as necessary.
