Summary Information

Repository:	Rockefeller Archive Center
Creator - aut:	Van Slyke, Donald D. (Donald Dexter)
Title:	Donald D. Van Slyke papers, Rockefeller University Faculty
ID:	FA203
Date:	undated
Physical Description:	10 Cubic Feet 10 boxes, 4 packages. Volume is approximate
Language of the Material:	English

Preferred Citation

Information regarding the Rockefeller Archive Center's preferred elements and forms of citation can be found at <http://www.rockarch.org/research/citations.php>

Biographical/Historical note

Donald Dexter Van Slyke, 1883-1971, biological chemist at The Rockefeller Institute for Medical Research from 1907 to 1948 when he became Emeritus and worked at Brookhaven National Laboratory until his death in 1971.

His work was chiefly in the chemistry of proteins and protein derivatives and their role in physiology, pathology, enzyme action, blood chemistry and the metabolic conditions of diabetes and nephritis. Co-author with Peters of 2 volumes "Qualitative Clinical Chemistry".

Biographical note	
1883	Born March 29, Pike, New York
1901-1902	Hobart College, Geneva, New York

1905	A.B. University of Michigan, Ann Arbor, Michigan
1907	Ph. D. University of Michigan
1907-1908	Rockefeller Institute for Medical Research, New York Fellow in Chemistry with P.A.T. Levene
1908-1911	RIMR Assistant in Chemistry
1911	University of Berlin, studied with Emil Fischer
1912-1914	RIMR Associate Member
1914-1920	RIMR Hospital Associate Member, Chief chemist
1917	Visiting Professor University of California
1920-1948	RIMR Hospital Member
1922-1923	Visiting Professor Peking Medical College
1948-1971	Member Emeritus RIMR
1949-1951	Brookhaven National Laboratory, Asst. Dir. for Research in Biology and Medicine
1951-1971	Brookhaven National Laboratory, Research Chemist
1971	Died May 4, Garden City, New York

Honorary degrees

1925	Sc. D. Yale University
1935	Sc. D. University of Michigan
1938	M.D. University of Oslo

1940	Sc. D. Northwestern University
1941	Sc. D. University of Chicago
1951	Sc. D. University of London
1962	M.D. University of Amsterdam
1966	Sc. D. Rockefeller University
1970	M.D. University of Ulm

Awards	
1936	Charles Mickle Fellowship. University of Toronto
1936	Phillip A. Conne Medal. Chemist's Club of New York
1939	Willard Gibbs Medal. Chicago Section American Chemical Society
1939	Order of the Jade Republic of China
1942	Kober Medal. Association of American Physicians
1947	Order of the Brilliant Star. Republic of China
1953	Fisher Award in Analytical Chemistry. American Chemical Society
1954	John Phillips Memorial Award. American College of Physicians
1957	Van Slyke Award in Clinical Chemistry. 1st - American Association of Clinical Chemists
1962	Scientific Achievement Award. 1st - American Medical Association

1964	Ames Award. American Association of Clinical Chemistry
1965	National Medal of Science. U.S.A.
1965	Elliott Cresson Award. Franklin Society of Philadelphia
1966	Medal. New York Academy of Medicine

Served:

1914-1924	Managing Editor Journal of Biological Chemistry
1940-1947	American Bureau for Medical Aid to China/ President
1949	First International Congress of Biochemistry, Cambridge, Eng Honorary Vice-President
1951-1956	Counselor Eli Lilly Research Grants
1957	International Congress of Clinical Chemistry, Stockholm Honorary President
1969	Seventh Congress of Clinical Chemistry, Geneva, Switzerland Honorary President

Member of: National Academy of Sciences, American Philosophical Society, American Academy of Arts and Sciences, Rudolf Virchow Medical Society in NYC, American College of Cardiology (honorary), American Society of Biological Chemists (President 1920-1922), Harvey Society (President 1927-1928), American Chemical Society, Association of American Physicians, Sigma Xi, Beta Theta Pi, Society of Experimental Biology

Honorary Member of: Soc. Chem. Biol. (Italian), Deutsche Akademie der Naturforscher, Societa Lombarda di Medicina, Academy of Science of India, Society of Biological Chemists of India, Royal Society of Sciences of Uppsala, Danish Society for Internal Medicine, Société de Pathologie Rénale, Società Italiana di Biologia Sperimentale, Association of Clinical Biochemists (Britain), Accademia Nazionale dei Lincei (Italian), Danish Academy

Revision Description

Paper finding aid converted to EAD/XML by AureXus in 2010. Imported into the Archvists' Toolkit by Becky Robbins. 2010 September 30

Custodial History note

Boxes 2, 3, 4 (legal size Hollinger) and oversize packages 1, 2, 3, 4 originate from the Else Van Slyke collection. Box 5 and 6 originate from the Keller Van Slyke collection.

Conditions Governing Access note

Open for researchnoted. Brittle or damaged items are available at the discretion of RAC.

Collection Inventory

Title/Description	Instances
Biographical material, photographs, bibliography, 1952	box 2
Scope and Contents note	
Includes a short biography written in 1952 at the request of U.S. Gasser for purposes of Institute history.	
Photographs of co-workers and wife and children	
Hastings, A. Baird. "Donald Dexter Van Slyke; the 20th Century Iatro-chemist" Proceedings Fed. Am. Soc. Exptl. Biol. 23 (1964) 586-591 in honor of Van Slyke 80th birthday, 1964	
Murphy, Robert Cushman. Funeral Address delivered at Presbyterian Church, Setauket, 1971 May 7	
Biographical memoir. Yearbook APS. 1971, 194-200, written by Reginald M. Archibald, 1971	
Biographical memoir NAS v. 48 (1976) by Baird Hastings. Some copies of annual reports (excerpts), 1976	

New York Times obituary

Sendroy Julius "In appreciation, Donald Dexter Van Slyke, 1883-1971" CLINICAL CHEMISTRY 17 (1971) 670-672, 1883-1971

John T. Edsall, "Carbon dioxide transport in blood: Equilibrium between red cells and plasma. The work of D.D. Van Slyke and L.J. Henderson, 1920-1928". Hist. Phil. Life Sci., 7 (1985), 105-120, 1920-1928

Scope and Contents note

In folder in "Biographical file".

Immediate Source of Acquisition:

Immediate Source of Acquisition

Gift of Dr. Edsall

Administrative correspondence, 1907-1937

box 1

folder 2

April-May application to RIMR and letters of recommendation, 1907

Report of the war activities of Hospital chemistry department; written at suggestion of T.M. Prudden, 1918 June

Correspondence regarding use of name to help raise money to use for medical supplies for China, 1937

Administrative correspondence, 1938-1954

box 1

folder 3

Correspondence with Dr. Cole and Dr. Gasser related to Aug.-Jan. leave of absence to be visiting professor at Peiping Medical College, 1940

Some personal notes. Thank you for flowers sent by Institute at death of Rena Mosher Van Slyke Some handwritten acceptances of invitations [apparatus and equipment], 1948

List of materials/sold to Brookhaven National Laboratory from RIMR at request of Dr. Van Slyke on retirement from Institute

Oral History from a five hour audio taped interview with Dr. Van Slyke on May 27 and 28, 1969 by Peter D. Olch of History of Medicine Division, National Library of Medicine, 1969 May 27-28

box 1

folder 3

Scope and Contents note

Indexed.

Includes biography; bibliography; copy of personal history as prepared for Dr. Gasser.

Processing Information note:

Processing Information note

Removed to RAC library 8/9/88.

Roos, Albert and Boron, Walter F. The buffer value of weak acids and bases: origin of the concept, and the first mathematical derivation and application to physico-chemical systems the work of M. Koppel and K. Spiro, 1914	box 1	folder 4
---	-------	----------

Scope and Contents note

Translation of article with significance for Van Slyke work.

Photographic album presented to D.D. Van Slyke by The Medical Department of Brookhaven National Laboratory in honor of Dr. Van Slyke's 80th birthday, 1963 March	box 2	
"Donald Dexter Van Slyke. The Twentieth Century Iatrochemist"	box 2	
Correspondence	box 3	folder 1
Edgar Stillman/D.D. Van Slyke. [re] Van Slyke illness and encouragement. Handwritten, 1918 November 11		
A. Baird Hastings/D.D. Van Slyke. Primarily [re] Hastings scientific work, 1935 January 22		
John D. Rockefeller, Jr. /D.D. Van Slyke. [re] declining dinner invitation for medical aid to China stating reasons, 1935 November 2		
D.D. Van Slyke/Kate [Stillman?]. Condolences on husband, Edgar [Stillman's] death. Handwritten, 1967 August 26		
Clippings	box 3	folder 2

Custodial History:

Custodial History

Copies originated from the Else Van Slyke collection.

Scope and Contents note

Copies Includes:

J.A. LeClerc. "Obituary of Lucius Lincoln Van Slyke". Journal of the Association of Official Agricultural Chemists, May 1932, iii-iv, 1932 May		
"To Donald D. Van Slyke - First Scientific Achievement Award," Chemical and Engineering News, Vol 40, no 27, p 60		
"Dr. Donald D. Van Slyke. Contemporaries", pp 61-62. Irvine H. Page editorial. Modern Medicine, pp 67-68		
Obituaries	box 3	folder 2

Scope and Contents note

Includes.

Aura Edward Severinghaus. "Donald D. Van Slyke Third President of ABMAC. The ABMAC Bulletin Vol 32, nos 3, 4, Mar-Apr 1971, pp 1-3, 1971 March-April

"Biochemist Van Slyke Dies: Kin Lives Here. " Evening Journal, Wilmington, Delaware, p 42, 1971 May 6

Medical World News, p 46, 1971 May 28

Photocopies of articles, clippings etc

box 3

folder 3

Custodial History:

Custodial History

Originated from the collection of Else Van Slyke.

"Rockefeller Institute Donald Dexter Van Slyke to receive Willard Gibbs Medal". The Chemical Bulletin, Vol 26, no 3, p 69, 1939 March

"Chemist Diagnoses the Possible - Dr. Donald D. Van Slyke". (On receipt of AMA's first scientific achievement award). Medical Tribune, 1962 June 25

Symposium on chemistry in medicine. Sponsored by Medical Department, Brookhaven National Laboratory, 1963 Mar 28-29, in honor of Dr. Van Slyke's 80th birthday. Program, 1963 March 28-29

"Johnson names 11 for Science Medals" (Includes D.D. Van Slyke). New York Times, Sunday, Dec 12, 1965, p 78, 1965 December 12

Presentation of the National Medal of Science, The White House, 1966 February 10

Scope and Contents note

Includes program, list of medalists, list of President's committee on the National Medal of Science, and Lyndon B. Johnson remarks.

Geneva, 7th International Congress of Swiss Society of Clinical Chemistry, [re] D.D. Van Slyke address. Medicine et Hygiene (special issue), 1969 September 8-13

Obituaries, 1972

Scope and Contents note

Includes: A. Baird Hastings. "Donald Dexter Van Slyke 1883-1971." Journal of Biological Chemistry 247 (1972) 1635-1640.

Symposium at University of Ulm honoring D.D. Van Slyke.
Program (in German), 1972 February 19

Portraits of D.D. Van Slyke

High school graduate, 1901	box 3	folder 4
Pekin, China, 1922	box 3	folder 4
Portraits by Louis Schmidt, RIMR, undated	box 3	folder 4
Portrait by Blauvelt-Haulenbeck, RIMR, undated	box 3	folder 5
Portrait. Multiple copies, 1 signed by D.D. Van Slyke, undated	box 3	folder 5
Photographs. Group photographs of Brookhaven National Laboratory staff, 1955-1969	box 3	folder 6

Scope and Contents note

Includes: 1955 and 1956 with identification, 1958, 1963, 1965, 1969, nd. Photographs of A. Baird Hastings, John Plazin.

Portraits of colleagues	box 3	folder 7
-------------------------	-------	----------

Scope and Contents note

Includes.

Eggert Mtiler 1928, Peter? (in 1955, 1956 Brookhaven group photos identified as W.L. Hughes), Christen Lundsgaard (d. 1930), M. Gomberg, Lee Farr ca 1936, John P. Peters 1955?, Frank (UNREADABLE). 1960, Glenn E. Cullen 1932, A. Baird Hastings 1949, P.A. Levene, 1928 1930 1932 1936 1949 1955 1956 1960

Photographs, miscellaneous	box 3	folder 8
----------------------------	-------	----------

Scope and Contents note

Includes.

Lewis Dahl, D.D. Van Slyke and George Cotzias, In color, nd

D.D. Van Slyke and son, Keller, skiing, nd

Photo album. The International Institute of Scientific Cooperation, Schloss Reissensburg (Donan) of interiors and exteriors, presented to D.D. Van Slyke

Mounted black and white photograph of group at a concert.
Unidentified, undated

Photograph in color of David Barr, Phil Bard, D.D. Van Slyke, Randall Edwards, Magnus Gregersen, of China International Foundation grant committee, 1964 July

Mounted photograph of probably first Mrs. Lucius Van Slyke

Mural, possibly at Research Institute at Dlea Deau, Montreal,
1985 November 7

Scope and Contents note

Includes thank you note from the Genests. Jacques Genest was head of Institute (per R.M. Archibald.) Prints in color of mural. [7 Nov 1985 R.M. Archibald/RU Archives - Description of Ceramic Mural in Lobby, 3 pp. at Institut de Diagnostic et de Recherches Cliniques de Montreal, Clinical Research Institute of Montreal.].

Memorabilia

Bronx medal commemorating 70th birthday of Bernarr MacFadden long distant women's swimming, 1938 August 13	box 3	folder 9

Certificate for 50 years membership at First Presbyterian Church, Geneva, New York, 1956 October 1	box 3	folder 9
--	-------	----------

[re] Radio of Free Asia, 1964 Certificate	box 3	folder 9
---	-------	----------

Boston, Mass., 14th annual convention of American College of Cardiology. D.D. Van Slyke receives honorary fellowship award. Convocation booklet, 1965 February 20	box 3	folder 9
---	-------	----------

New York State Dept of Health certificate of qualification in clinical chemistry, 1965 July 28	box 3	folder 9
--	-------	----------

photograph of RIMR Campus, 1928	box 3	folder 9
---------------------------------	-------	----------

"D.D. Van Slyke Mar 1, 1896" scotch taped on cardboard with handwritten note, 1896 March 1	box 3	folder 9
--	-------	----------

Scrapbook [re], undated	box 3	folder 10
-------------------------	-------	-----------

John P. Peters and Donald D. Van Slyke. "Quantitative Clinical Chemistry: Interpretation". Vol I (1931); Vol II (1932), 1931-1932	box 3	folder 10
---	-------	-----------

Scope and Contents note

Includes reviews and letters of congratulations on publications; advertising leaflets.

D.D. Van Slyke and others. "Observation on the Courses of Different Types of Bright's Disease and a Resultant Change in Renal Anatomy. Vol 17, Williams and Wilkins, Baltimore, 1930, 1930	box 3	folder 10
--	-------	-----------

Scope and Contents note

Includes reviews, list of names requesting monograph and letters of congratulations. Reprinted in *Medicine* 9 (1930) 257-286.

Furniture appraisal 1960. Catalogue and appraisal of property belonging to Donald D. Van Slyke, compiled by Consolidated Appraisal, New York, 1960	box 3	folder 11
--	-------	-----------

New York Times, [re] D.D. Van Slyke receiving Philip A. Conne gold medal of The Chemists Club of New York. Newspaper clipping, 1937 January 23	box 4	folder 1
--	-------	----------

[re] American Chemical Society, Willard Gibbs Award at Chicago, ACS meeting, 1939 May	box 4	folder 1
---	-------	----------

Scope and Contents note

Includes program, *The Chemical Bulletin*, May 1939 and newspaper clippings from the *New York Times*, *Pittsburgh Press* and *The Bronxville Press*.

D.D. Van Slyke receives honorary M.D. from University of Amsterdam, 1962 May 28	box 4	folder 2
---	-------	----------

Scope and Contents note

Includes calendar of trip kept by Van Slyke (handwritten), photograph of D.D. Van Slyke and others at degree granting ceremony, correspondence, typescript of Prof Borst's address, newspaper clippings, University of Amsterdam bulletin and letter of congratulations from J.P. Wibault.

D.D. Van Slyke delivers principal address. "On the Dedication of the Reactor of the Institute of Nuclear Science of Tsing Hua University" Taipei, 1961 December 5	box 4	folder 3
---	-------	----------

Scope and Contents note

Includes: correspondence, typescript of Van Slyke's presentation, booklet "Research in Free China. Taiwan's

Academia Sinia 1927-1961." photographs and miscellaneous items.

American Medical Assoc (AMA) first scientific achievement award to D.D. Van Slye, Chicago, 111th annual meeting of the AMA, 1962 June	box 4	folder 4
---	-------	----------

Scope and Contents note

Includes correspondence, photograph of D.D. Van Slyke and Hugh H. Hussey, miscellaneous items, clippings announcing award in various publications, and letters of congratulations.

Symposiums in honor of Van Slyke's 80th birthday	box 4	folder 5
--	-------	----------

Scope and Contents note

Includes correspondence, programs, and guest lists of.

Medical Dept, Brookhaven National Laboratory. Symposium on chemistry in medicine, 1963 March 28-29
