## Biographical/Historical note

---

The Fund for the Advancement of Education (TFAE) was established in 1951 to support new and experimental programs at all levels of formal education. The five areas to which TFAE focused its resources were: the equalization of educational opportunity; improvements in curricula; clarification of the functions of educational institutions; improvement of educational management and financing; and the improvement of teaching. TFAE operated for over a decade. It ceased funding new projects in the late 1960s.

### Immediate Source of Acquisition note

Ford Foundation archive was deposited at RAC in 2011. Ford Foundation records, correspondence, reports, program files and officers papers were transferred to, and accessioned by, RAC beginning in 2011. Accessions continue as necessary.

### Conditions Governing Use note

Ford Foundation holds title, copyright and literary rights in the collection, in so far as it holds them.

The Rockefeller Archive Center has authority to grant permission to cite and publish material from the collection for scholarly purposes. Permission to publish extensive excerpts, or material in its entirety, will be referred to the Ford Foundation.

## Conditions Governing Access note

Records more than 10 years old are open for research with select materials restricted as noted. Brittle or damaged items are available at the discretion of RAC.

Completion of a use agreement is required prior to providing scholarly access. See RAC Head of Reference (or applicable designee) for details.

Researchers interested in accessing digital media (floppy disks, CDs, DVDs, etc.) or audiovisual material (audio cassettes, VHS, etc.) in this collection must use an access surrogate. The original items may not be accessed because of preservation concerns. To request an access surrogate be made, or if you are unsure if there is an access surrogate, please contact an archivist.

## Equalization of Education, 1951-1956

Physical Description: 1.2 Cubic Feet 1 box.

### Scope and Contents note

The sub-series Equalization of Education pertains to the TFAE funded work of Harry S. Ashmore and of the Southern Education Reporting Service concerning segregation in public schools. The files contain general data; publications and studies on segregation in southern schools; press releases; reports to the Fund; and speeches authored by Ashmore. The survey reports were published in 1953 and 1954, shortly before the Brown vs. Board of Education ruling.

## Faculty Fellowship Program, 1950-1963

Physical Description: 31.2 Cubic Feet 26 boxes.

### Scope and Contents note

The Faculty Fellowship Program was created in 1951 to broaden and strengthen the qualifications of college teachers in the United States. The Program was administered by the American Council of Learned Societies and supported the exploration of the Humanities, Social Sciences, and Natural Sciences. The sub-series consists of administrative files and fellowship awardee files and contains: resumes, transcripts, letters of reference, and fellowship award letters.

### Arrangement note

The awardee files are arranged in chronological order by the academic year awarded, then further arranged alphabetically by the fellow's surname.

## High School Teachers Fellowship Program, 1951-1966

Physical Description: 22.8 Cubic Feet 19 boxes.

### Scope and Contents note

The High-School Teachers Fellowship Program sub-series consists of information on each applicant and their school. The awardee files are arranged in chronological order by the academic year awarded, then alphabetically by the fellow's surname. Also included are files on policy and procedures, statistics and reports. The majority of these files are confidential in nature as the resumes contain financial and personal information. Box 18 contains grant file cards of the Fellowship winners.

## Institute for Philosophical Research, 1952-1959

Physical Description: 1.2 Cubic Feet 1 box.

## Scope and Contents note

The Institute for Philosophical Research sub-series contains information about the work of Mortimer J. Adler and his staff of the Institute for Philosophical Research. The Institute sought to extract from over 2,000 years of writings the development of the basic ingredients of human thought, the "Great Ideas." The files are comprised of correspondence exchanged between Mortimer and Clarence Faust. The following publications are included in the sub-series: The Controversy Concerning Human Freedom, Parts I-IV and The Capitalist Manifesto.
