## Biographical / Historical

---

Julius A. Stratton (1901-1994) was an educator, academic administrator and foundation leader who served as Trustee of the Ford Foundation from 1955-1966, and as Chairman of the Board from 1966-1971. Stratton was President of the Massachusetts Institute of Technology (MIT) from 1959-1966, and also served that institution at various times as Provost, Vice President and Chancellor. Stratton held bachelor's and master's degrees from MIT (1932, 1925), and was awarded the degree of Doctor of Science in Mathematical Physics from the Eidgenossische Technische Hochschule of Zurich, Switzerland (1927). Stratton joined the MIT faculty in 1928, and taught in the electrical engineering and physics departments for twenty years. During World War II, Stratton served as Expert Consultant in the Office of the Secretary of War, and was awarded a Medal for Merit in 1946. He was a member of the National Academy of Sciences, the American Philosophical Society and the Council on Foreign Relations. Stratton retired from the Ford Foundation Board of Trustees in 1972.

---

## Scope and Contents

---

The Office Files of Julius A. Stratton document Ford Foundation programs, administration and trustee concerns during the early years of McGeorge Bundy's Presidency. The files contain correspondence with grant seekers, grantees and Foundation staff, reports by consultants and grantees, staff memoranda, publications and news clippings. The collection measures 4 linear feet and is contained in 4 record cartons. The records document a wide range of Ford Foundation grant programs with an emphasis on fields of particular interest to Stratton, including education, science and environmental affairs.

### Publication Statement

Rockefeller Archive Center

15 Dayton Avenue

Sleepy Hollow 10591

[archive@rockarch.org](mailto:archive@rockarch.org)

URL: <http://www.rockarch.org>

### Processing Information

Level 1 Minimal Processing has been conducted to establish basic intellectual and physical control of the material and assess immediate preservation and conservation needs. Material remains as received, in original folders and storage boxes.

### Conditions Governing Access

Material is open for scholarly research, with prior archival review.

Material more than ten years old is open for scholarly research.

Select individual files are restricted, as noted. Permission to access these files must be obtained from the Ford Foundation before scholarly access is permitted.

## **Conditions Governing Use**

Completion of a use agreement is required prior to providing scholarly access. See RAC Head of Reference (or applicable designee) for details.

Ford Foundation holds title, copyright and literary rights in the collection, in so far as it holds them.

The Rockefeller Archive Center has authority to grant permission to cite and publish material from the collection for scholarly purposes. Permission to publish extensive excerpts, or material in its entirety, will be referred to the Ford Foundation.

## **Immediate Source of Acquisition**

Ford Foundation archive was deposited at RAC in 2011. Ford Foundation records, correspondence, reports, program files and officers papers were transferred to, and accessioned by, RAC beginning in 2011. Accessions continue as necessary.

## **Controlled Access Headings**

---

- Ford Foundation

---

## **Physical Characteristics and Technical Requirements**

---

Materials requiring specialized equipment for access (film, audio, video, slides) may be restricted from scholarly research dependent on availability of the applicable equipment.

Brittle or damaged items, or materials otherwise in need of preservation care, may be restricted from scholarly research at the discretion of the RAC Head of Archival Services/RAC Head of Reference.
