NOTE TO RESEARCHERS

This series contains portions of the office files of several members of Nelson A. Rockefeller's staff. They document official activities of these individuals in the execution of their duties as members of Rockefeller's staff. The actions, decisions, and exchanges of information or points of view documented here occurred in the course of proposing and implementing policies for the Rockefeller administration, political campaigns, and/or Rockefeller's personal activities. However, unless a document is specifically addressed to or from Nelson A. Rockefeller, or is referred to in a document addressed to him, it should not be assumed he saw the document or was aware of its existence or substance. Furthermore, researchers should bear in mind that staff files may contain documents or drafts addressed to Rockefeller that were never shown to him.

## SCOPE AND CONTENT

This series primarily comprises correspondence from New York State residents to members of Governor Rockefeller's staff, specifically those working on the Gubernatorial Executive Branch staff. The correspondence is congenial, thanking the staff members for meeting with them or thanking the staff member for appearing at an event on the Governor's behalf. Many members of the executive staff are represented here, although the series is dominated by correspondence with Alexander Aldrich, Richard Amper, and Robert McManus.

Mr. Amper was Governor Rockefeller's first press secretary and was succeeded by Mr. McManus, who served in the position until 1966, when he was appointed executive assistant to the Governor. Mr. Aldrich began his career with New York State as director of the Division for Youth in 1960.
