## Biographical/Historical note

---

Nelson A. Rockefeller served as governor of New York from January 1, 1959, to December 18, 1973. He was the first person elected to four consecutive four-year terms as a state governor.

---

## Scope and Contents note

---

This series is a collection of resolutions forwarded to Charles H. Palmer, Assistant Secretary to the Governor for Reports, from the New York Department of Civil Service. Each year of Governor Rockefeller's gubernatorial tenure is represented by resolutions that were approved by Governor Rockefeller on Palmer's recommendation and those resolutions that were "Withdrawn or Withheld" at the request of the Civil Service Department head. Resolutions would be withdrawn or withheld as a result of the information being superseded by a subsequent resolution or the reasons for the resolution being resolved in some other manner.

Civil Service Resolutions were adopted by New York State to increase or decrease the number of positions in the state government. Resolutions were not specific to an individual, but rather to a position or title.

### Conditions Governing Use note

Reproduction/duplication of archival items is routinely provided in accordance with "fair use." If the RAC does not hold copyright for an archival collection or items within a collection, it is the user's responsibility to contact the copyright holder, or make a fair effort to do so, prior to publication.

### Conditions Governing Access note

Open for research with select materials restricted as noted. Brittle or damaged items are available at the discretion of RAC. Researchers interested in accessing digital media (floppy disks, CDs, DVDs, etc.) or audiovisual material (audio cassettes, VHS, etc.) in this collection must use an access surrogate. The original items may not be accessed because of preservation concerns. To request an access surrogate be made, or if you are unsure if there is an access surrogate, please contact an archivist.

## Processing Information note

Processing Level 3: Standard Processing.
