---

## Scope and Contents

---

This collection contains audio recordings of oral histories and interviews, as well as documentation of the interviews, and associated supplementary material.

Types of documentation and supplementary material include:

Transcript: A verbatim script of the interview.

Catalogue: A point by point list of topics covered in the interview.

Account: A narrative, non-verbatim write up of the interview.

Notes: Supplementary material which can include biographical and background information on the interviewee, a list of questions used in the interview, correspondence regarding the interview, drafts of the transcript, and a release form signed by the interviewee.

[^ Return to Table of Contents](#)

---

## Arrangement

---
