Biographical/Historical note

Wilbur George Downs (1913-1991), an educator and physician, served on the staff of the Rockefeller Foundation (1941-1961) and was associate director of Medical and Natural Sciences from 1961 to 1971. He also served as director of the Virus Research Program in the Division of Biomedical Sciences (1961-1971).

[^ Return to Table of Contents](#)

Scope and Contents note

The collection includes excerpts from the travel and laboratory diaries (1931-1944) of Rockefeller Foundation personnel, three volumes of correspondence (1940-1970), and a volume of Downs's trip diary with interview notes (1971-1976).

[^ Return to Table of Contents](#)

Arrangement note

This collection is arranged in three series:

Series 1 - Correspondence

Series 2 - Diaries

Series 3 - Laboratory Studies

Conditions Governing Access

Open for research with select materials restricted as noted. Brittle or damaged items are available at the discretion of RAC.

Conditions Governing Use

Reproduction/duplication of archival items is routinely provided in accordance with "fair use." If the RAC does not hold copyright for an archival collection, or items within a collection, it is the user's responsibility to contact the copyright holder, or make a fair effort to do so, prior to publication.

Immediate Source of Acquisition

Wilbur G. Downs and Sonja M. Buckley gave the papers to the Rockefeller Archive Center on November 29, 1984.
