Conditions Governing Access note

Collection is open for research. Brittle or damaged items are available at the discretion of RAC. Material in the Rockefeller family collections that provides the names, correspondence, or activities of living members of the Rockefeller family, and/or documents the net wealth of any Rockefeller family members, is restricted. Researchers interested in accessing digital media (floppy disks, CDs, DVDs, etc.) or audiovisual material (audio cassettes, VHS, etc.) in this collection must use an access surrogate. The original items may not be accessed because of preservation concerns. To request an access surrogate be made, or if you are unsure if there is an access surrogate, please contact an archivist.

All inquiries to view films require advanced notice of at least 48 business hours, and may necessitate notice of up to one week. Individual items, including those that are not available in modern formats, may require creation of an access surrogate. Applicable charges will apply.
