## Summary Information

---

<b>Repository:</b>	Rockefeller Archive Center
<b>Creator:</b>	Rockefeller Institute for Medical Research
<b>Creator:</b>	New York University
<b>Creator:</b>	Cornell University
<b>Creator:</b>	Cornell University. Medical College
<b>Creator:</b>	Rockefeller University
<b>Title:</b>	Rockefeller University records, Auxiliary Services, Rockefeller University and Cornell Medical College Biomedical Seminars
<b>ID:</b>	FA844
<b>Date [inclusive]:</b>	1975-1976
<b>Physical Description:</b>	0.44 Cubic Feet 1 box.
<b>Physical Description:</b>	1 box containing audio tapes.
<b>Language of the Material:</b>	English

### Preferred Citation note

Information regarding the Rockefeller Archive Center's preferred elements and forms of citation can be found at <http://www.rockarch.org/research/citations.php>

### Revision Description

### Conditions Governing Use

Each lecture has a specific set of use conditions.

### Conditions Governing Access note

This collection is open for scholarly research.

RAC is unable to provide access to obsolete media, due to the specialized equipment necessary to facilitate playback. When feasible, a digital surrogate may be created via special order. All applicable charges will apply. See RAC Head of Archival Services or RAC Head of Digital Programs for details.

## Controlled Access Headings

---

- Biochemistry
- Science -- Study and teaching

- Medicine, Preventive
- Life sciences
- Architecture
- Medical sciences
- Biology -- Research
- Women
- Medical education
- Medical research
- Cell and biomolecular sciences
- Women's history
- Rockefeller Institute for Medical Research
- New York University
- Cornell University
- Cornell University. Medical College
- Rockefeller University

---

## Physical Characteristics and Technical Requirements note

---

Materials requiring specialized equipment for access (film, audio, video, slides) may be closed to research dependent on availability of the applicable equipment

Brittle or damaged items, or materials otherwise in need of preservation care, may be closed to researchers at the discretion of the RAC Head of Archival Services/Head of Reference.
