Immediate Source of Acquisition

Ford Foundation archive was deposited at RAC in 2011. Ford Foundation records, correspondence, reports, program files and officers papers were transferred to, and accessioned by, RAC beginning in 2011. Accessions continue as necessary.

Processing Information

Level 1 Minimal Processing has been conducted to establish basic intellectual and physical control of the material and assess immediate preservation and conservation needs. Material remains as received, in original folders and storage boxes.

Conditions Governing Access

Records more than 10 years old are open for research with select materials restricted as noted. Brittle or damaged items are available at the discretion of RAC.

Completion of a use agreement is required prior to providing scholarly access. See RAC Head of Reference (or applicable designee) for details.

Related Materials

Separated Materials

Appendix A: Reports – Unpublished reports written by Ford Foundation staff and consultants were removed from their original folders, scanned and transferred to the Archives' collection of staff and consultant reports. See Appendix A for a list of these reports and their specific assigned number. The

reports are listed in alphabetical order by author. The assigned number may be used to access reports in the online catalog.
