### Immediate Source of Acquisition

Collection donated to RAC by Wayne G. Broehl, 1983.

### Processing Information

Collection has received basic level 1 processing to establish initial intellectual and physical control of the holdings. Records remain in original storage boxes and folders.

### Conditions Governing Access

Open for research. Brittle or damaged items are available at the discretion of RAC. Researchers interested in accessing digital media (floppy disks, CDs, DVDs, etc.) or audiovisual material (audio cassettes, VHS, etc.) in this collection must use an access surrogate. The original items may not be accessed because of preservation concerns. To request an access surrogate be made, or if you are unsure if there is an access surrogate, please contact an archivist.
