## Biographical/Historical note

Biographical Note	
1892	Born September 4, North Tonawanda, New York
1910	Graduated Felton High School (class president)
1910-1911	Attended Syracuse University
1915	B.S. Mount Union College, Alliance, Ohio
1915	Editor THE DYNAMO (college weekly, jr. yr.)

1915	Editor THE UNONIAN (yearbook, sr. yr.)
1915-1917	Science teacher Massillino, Ohio High School
1918	M.S. University of Michigan, Graduate assistant in zoology
1918	2nd lieutenant (field artillery) World War I
1919-1921	Chairman, Dept. Biology Central High School and Junior College, Detroit (later Wayne University)
1923	Sc.D. Johns Hopkins University School of Hygiene and Public Health, Johns Hopkins University/Rockefeller Foundation, Joint Commission to Investigate Control of Hookworm Disease
1922	Puerto Rico
1923-1924	China - Associate in Parasitology, Peking Union Medical College
1926	Panama
1925-1926	Associate in Helminthology, Johns Hopkins University School of Hygiene and Public Health
1927-1950	Associate Member The Rockefeller Institute for Medical Research Dept. of Animal and Plant Pathology, Princeton, New Jersey
1941	D.Sc. (Honorary) Mount Union College
1943-1946	Lieutenant and Lt. Comdr. Parasitologist, Naval Medical Research Unit #2, Guam
1950-1962	Associate Member The Rockefeller University New York City
1962-1963	Professor (Member) The Rockefeller University

1963-	Professor (Member) Emeritus, The Rockefeller University
1976	Died December 30, Princeton, New Jersey
1919 August 23	Married Estella M. Scott. Children: Henry Charles, Margaret E. Dawson, Louise M. Maddux.
1947 November 14	Estella Stoll died
1951 December 26	Married Helen Kennedy Stevens

Norman R. Stoll, 1892-1976, scientist at The Rockefeller University (earlier Rockefeller Institute for Medical Research) 1927-1976, whose work helped to advance the understanding and control of parasitic diseases especially in the detection and treatment of hookworm infection (free-living stages and measurements of the severity of the parasitism in man). From 1944-1967 he served on the International Commission for Zoological Nomenclature, serving as chairman of the Editorial Committee 1958-1961 when the revised code was adopted by the XV the International Congress of Zoology.

Editorships: Journal of Parasitology (1938-1943 Editor, 1944-1955 Editorial Board), Experimental Parasitology; 1951-1967 Editorial Board, International Code of Zoological Nomenclature; 1958-1961 Chairman of Editorial Committee; 1961 Code adopted by XVth International Congress of Zoology, Marquis Biographical Library Society 1969-

Member of: American Society of Naturalists, American Assoc. Advancement of Science (Fellow), Helminthological Society of Washington, American Society of Parasitologists (Charter Member); 1930-1932 Secretary-Treasurer; 1933-1957 Council Member; 1946 President; 1966 Emeritus, American Society of Tropical Medicine and Hygiene 1960 C.F. Craig Lecturer, Royal Society of Medicine (Affiliate 1962-1969), Royal Society of Tropical Medicine and Hygiene, British Society of Parasitology (Charter Member), New York Academy of Sciences (Fellow), American Society of Zoologists, New York Society of Tropical Medicine (Charter Member); 1947 President; 1960 Life Member; 1962 Theobald Smith Memorial Lecturer

Other memberships: Ubiquiteers (Charter Member), Sigma Xi Rockefeller University Chapter, President 1958, Nassau Club, Princeton, Community War Service Committee (Chairman), Civilian Defense Council, Princeton Boro-Township 1942-1943, Board of Education, Princeton Township 1937-1944, Gamma Alpha, Phi Sigma, Delta Omega

Served on:	
1944-1967	International Commission for Zoological Nomenclature

1952-1973	WHO Expert Advisory Panel on Parasitic Diseases
1961	Consultant in 7 African Countries
1955-1958	NSF Advisory Panel for Systematic Biology
1956-1957	Iran Foundation Medical Advisory Council
1957-1969	American Foundation for Tropical Medicine, Science Advisory Council.
1964-1969	American Foundation for Tropical Medicine, Liberian Institute. Co-principal investigator with Dr. H.C. Hsieh of endemic hookworm
1953	Copenhagen - International Congress of Zoology – Delegate
1958	London - International Congress of Zoology – Delegate
1963	Washington - International Congress of Zoology - Delegate
<b>Honors</b>	
1969	Wisdom Hall of Fame

## Collection Inventory

Title/Description	Instances	
Employment record	box 1	folder 1
Biographical articles as prepared for RU	box 1	folder 1
Handwritten note which appears to be seminal idea on concept of "self-cure"	box 1	folder 1
Portion of letter on 25th anniversary of graduation from Mount Union, 1940 February 27	box 1	folder 1
1947 Holiday Greetings from Leyte Correspondence on Naval Reserve retirement, 1947	box 1	folder 1
Medical reports	box 1	folder 1
Letter of Greetings written to those from Navy associations who jointly sent 80th birthday greetings, 1972	box 1	folder 1
Bibliography prepared by NR Stoll	box 1	folder 1
Bibliography prepared in Archives Office as a Table of Contents for 2 volumes "Collected Reprints"	box 1	folder 1
"Norman Rudolph Stoll: Scientist, Teacher, Friend" an appreciation prepared by Malcol S. Ferguson and published in EXPERIMENTAL PARASITOLOGY 1+1, 1977	box 1	folder 1
Correspondence on retirement allowance	box 1	folder 1

Obituary clippings	box 1	folder 1
Administrative correspondence, 1956-1973	box 1	folder 1a
<b>Scope and Contents note</b> <p>Mainly notices from various departments.</p>		
Administrative correspondence, 1926-1974	box 1	folder 2
<b>Scope and Contents note</b> <p>Record of Dr. Stoll's long association with The Rockefeller University. Included are several long and informative letters from trips abroad: England, Liberia, Vienna.</p> <p><u>Immediate Source of Acquisition note:</u>  <b>Immediate Source of Acquisition note</b>  <p>Placed in the RU Archives from the Office of Faculty Records.</p> </p>		
Photographs of NR Stoll	box 1	folder 3
<b>Scope and Contents note</b> <p>Includes 1 wedding photo of daughter.</p>		
Photographs of Princeton	box 1	folder 4
<b>Scope and Contents note</b> <p>Includes group photos of workers in the Princeton labs as well as photos of construction and buildings.</p>		
Reports and references not dated not clear	box 1	folder 5
Record of RU staff meetings, 1933-1954	box 1	folder 6
<b>Scope and Contents note</b> <p>Some correspondence when NR Stoll served on committee.</p>		
Photographs	box 1	folder 7
<b>Scope and Contents note</b> <p>Group from 1961 trip.</p> <p>R.W. Glaser.</p> <p>T.M. Rivers.</p> <p>W.A.S. Raghawan (sp?)</p>		
Assorted and scattered items, 1933-1975	box 1	folder 8
Correspondence L.A. Taffs Visiting investigator, 1963		

	box 1	folder 9
Oral interview on the closing of the Princeton laboratories, made in Spring-Fall 1972	box 2	folder 1

Conditions Governing Access:**Conditions Governing Access**

RAC is unable to provide access to obsolete media. When feasible, a digital surrogate may be created via special order. All applicable charges will apply. See RAC Head of Archival Services or RAC Head of Digital Programs for details.

**Scope and Contents note**

This was done in part by dictation and partly on an interview.

2 publications on hookworm, 1914 1928	box 2	folder 2
War Department Publication on DDT and insecticides, 1945	box 2	folder 2
War department manual on DDT, 1944	box 2	folder 2
v. 1, no. 2 Journal of Military Medicine in the Pacific	box 2	folder 2
Assorted biographical notes of RIMR staff (published)	box 2	folder 3
Record of experiments performed, 1949-1955	box 2	folder 4
Assorted handwritten notes applicability not always clear, 1952-1969	box 2	folder 5
Iran Foundation, 1951-1959	box 2	folder 6

**Scope and Contents note**

Some correspondence and Annual Report 1957/1958.

JOURNAL OF PARASITOLOGY, 1961-1966	box 2	folder 7
------------------------------------	-------	----------

**Scope and Contents note**

Correspondence with Justus F. Mueller, editor and draft of a short history of The American Society of Parasitologists; some editorial reports.

2nd International Congress of Parasitology, 1970	box 2	folder 8
--	-------	----------

**Scope and Contents note**

Includes Colloquium on The Cultivation of Helminths.

Articles and papers not all listed in, bibliography "First annual meeting of the American Society of Parasitologists. 1925" reprint from Journal of Parasitology 12 (1926), 1925-1926	box 2	folder 9
Stoll, N.R. "What can be done about hookworm?" 7th International Congress on Tropical Medicine and Malaria. Proceedings	box 2	folder 9

Announcement of FIRTST NORMAN R. STOLL LECTURE	box 2	folder 9
Typescript: "The stream of scientific publication (in parasitology): Does it have a problem of pollution? of Eutrophication? (2 cop.) 2nd International Congress of Parasitology	box 2	folder 9
Typescript: Establishment of three strains of ENTAMOEBA INVADENS in media without tissue	box 2	folder 9
The First Twenty Years of the New York Society of Tropical Medicine (Stoll on committee)	box 2	folder 9
Duplicated copy of "Endemic Hookworm in Liberia"	box 2	folder 9
Reprint from TAXON 1960 meeting of Editorial Committee of International Code of Botanical-Nomenclature, 1960	box 2	folder 9
Remarks at the Dedication of the W.W. Cort Library	box 2	folder 9
Handwritten listing by NRS of dates and publications he considered important landmarks in career	box 2	folder 9
Stoll, N.R. "Midstream" reprinted from Mount Union College Bulletin, 1940 July	box 2	folder 9
Stoll, N.R. "This Wormy World" JOURNAL OF PARASITOLOGY, 33 (1947), 1947	box 2	folder 9
Stoll, N.R. The Osmosis of research: ... Bulletin of New York Academy of Medicine 48 (1972), 1972	box 2	folder 9
Stoll, N.R. Rudolf William Glaser and Neoplectana EXPERIMENTAL PARASITOLOGY 33, 1973	box 2	folder 9
Stoll, N.R. "Mankind of the future"	box 2	folder 9
"This Wormy World" - address given in Dec. 1946 and published in JOURNAL OF PARASITOLOGY Feb. 1947	box 3	folder 1-5

### Scope and Contents note

Said to be "the most widely published and quoted publication in helminthological parasitology since the War". Folders 1-5 consist of background; data sheets; manuscript; reprint and reviews.

Unidentified film	box 3	folder 6
-------------------	-------	----------

### Scope and Contents note

Appears to be a European trip.
