### Revision Description

### Conditions Governing Access note

This collection is open for scholarly research.

Due to the oversize nature and potentially brittle condition of some of this material, special arrangements may be required in order to view materials. Individual items may be restricted due to preservation concerns.

---

## Physical Characteristics and Technical Requirements

---

Materials requiring specialized equipment for access (film, audio, video, slides) may be restricted from scholarly research dependent on availability of the applicable equipment.

Brittle or damaged items, or materials otherwise in need of preservation care, may be restricted from scholarly research at the discretion of the RAC Head of Archival Services/RAC Head of Reference.
