### Processing Information

The contents of this series has been separated from other archival holdings. As such, the description of any individual item, or set of items, may also currently appear, in some form, in the finding aid for the originating collection.

Future processing, description, and presentation of films will seek to address this issue as much as feasible.

### Conditions Governing Access

When requesting to view audiovisual material, please refer to the Title and the AV Number (example: AV 1916). Researchers are asked to check the "Restrictions" note for each Title. If a Title does not currently have an access copy, please contact a RAC archivist for further instruction.

All inquiries to view films require advanced notice of at least 2 business days, and may necessitate notice of up to one week. Individual items, including those that are not available in modern formats, may be restricted from access at the discretion of RAC.
