#### Scope and Contents

The following is a guide, by month, of events photographed during the 1970 Rockefeller Gubernatorial Campaign. Events were photographed consecutively beginning April 21 and running through election night on November 3rd.

One important set of photographs, The Rochester Republican State Nominating Convention of April 6, was produced by Wide World Photos. Proof sheets are in our archives.

During the week of August 10 through 15, the Governor attended an outstanding variety of events. That week was selected as "A Week in the Life of the Governor During Campaign". Many important & exciting photographs are contained in these proofs & one complete set is located separately.

Unless otherwise specified, all photography has been performed by Bob Wands, Official Campaign Photographer for Governor Rockefeller.

Special assignments by B&G International and by Wide World Photos are listed separately.

All campaign 1970 negatives are held by B&G International.
