## Biographical/Historical note

---

Purnell W. Choppin (1929- ) an animal virologist, came to Rockefeller University and hospital in 1957 under a fellowship from the National Foundation. For twenty eight years Dr. Choppin's research was primarily concerned with the influenza and parainfluenza viruses. His papers consist of lab. notebooks, reports minutes, of meetings, printed materials, lectures, memoranda and correspondence. In 1970 he was appointed professor and senior physician and served as vice president for academic program (1983).

Choppin was born on July 4, 1929 in Baton Rouge, Louisiana, and attended Louisiana State University where he received an M.D. degree from its School of Medicine in 1953.

Professor Choppin served in an advisory capacity to several scientific organizations; the NIAID's influenza Commission, Markey Scholars Program and as chairman of the Virology Study Section of the National Institute of Health.

In 1983 Dr. Choppin received the Howard Taylor Rickett Award of the University of Chicago. Currently, he is the Chairman of the Virology Department at the Howard Hughes Institute in New York.

---

## Arrangement

---

The collection is arranged into 3 components:

Laboratory Notebooks (Box 1-6).

Series 1: Meetings, Seminars and Workshops (Box 7-27).

Series 2: Markey Scholars Program (Box 28-29).

[^ Return to Table of Contents](#)

---

## Arrangement note

---

Series 1 and Series 2 are arranged in alphabetical order then in chronological order within subjects.

[^ Return to Table of Contents](#)

---

## File Plan note

---

Former Classification: I 450 C455

## Controlled Access Headings

---

- Biology -- Research
- Medical research
- Viruses -- Research
- Immunology
- Choppin, Purnell W.
- Rockefeller University
- Rockefeller Institute for Medical Research

---

## Physical Characteristics and Technical Requirements

---

Materials requiring specialized equipment for access (film, audio, video, slides) may be closed to research dependent on availability of the applicable equipment

Brittle or damaged items, or materials otherwise in need of preservation care, may be closed to researchers at the discretion of the RAC Head of Archival Services/Head of Reference.
