URL: <http://www.rockarch.org>

### Conditions Governing Access

Records more than 15 years old are open for research. Brittle or damaged items are available at the discretion of RAC. Researchers interested in accessing digital media (floppy disks, CDs, DVDs, etc.) or audiovisual material (audio cassettes, VHS, etc.) in this collection must use an access surrogate. The original items may not be accessed because of preservation concerns. To request an access surrogate be made, or if you are unsure if there is an access surrogate, please contact an archivist.

### Conditions Governing Use

RAC has legal title, copyright and literary rights to the collection in so far as it holds them. RAC may grant permission to publish material in the collection.

### Immediate Source of Acquisition

Records were donated to RAC by the Markle Foundation in 2008. The archival material was physically transferred in multiple accessions spanning 1997-2008.

## Henry Geller papers, 1967-1998

### Biographical / Historical

Henry Geller an attorney, law professor, and telecommunications advisor to the Markle Foundation has spent much of his career focused in the areas of telecommunications regulation and policymaking. Geller served the Federal Communications Commission (FCC) in various capacities for more than 20 years, including but not limited to serving as General Counsel in the mid-1960s and as an assistant to Dean Burch from 1969-1974 during Burch's chairmanship of the Commission. Geller also served as administrator of the National Telecommunications and Information Administration (NTIA) from 1978-1981.

Title/Description	Instances
