### NOTE TO RESEARCHERS

This series contains the office files of Gene Wyckoff. They document official activities in the execution of his duties as a member of Nelson A. Rockefeller's staff. The actions, decisions, and exchanges of information or points of view documented here occurred in the course of proposing and implementing policies for the Rockefeller administration, political campaigns, and/or Rockefeller's personal activities. However, unless a document is personally signed by Nelson A. Rockefeller, or is referred to in a document personally signed by him, it should not be assumed he saw the document or was aware of its existence or substance. Furthermore, researchers should bear in mind that staff files may contain documents or drafts addressed to Rockefeller that were never shown to him.

### SCOPE AND CONTENT

This series is a nearly complete representation of "Executive Chamber," a television program written and produced by Gene Wyckoff. Topics were worked out in conjunction with Governor Nelson Rockefeller and members of his staff. The programs, broadcast in late 1964 and 1965, were designed to make clear the Governor's position on issues of importance to New York State voters.

### Revision Description

### Conditions Governing Use note

RAC users must abide by all applicable provisions of U.S. copyright law. Reproduction/duplication of archival items is routinely provided in accordance with "fair use." If the RAC does not hold copyright for an archival collection or items within a collection, it is the user's responsibility to contact the copyright holder, or make a fair effort to do so, prior to publication.

### Conditions Governing Access note

Open for scholarly research, except where particular restrictions are noted.

RAC is unable to provide access to obsolete media and original digital media. In addition separated media may not yet have undergone stabilization procedures. When feasible, a digital surrogate may be created via special order. All applicable charges will apply. See RAC Head of Archival Services or RAC Head of Digital Programs for details.

### Processing Information note

Processing Level 3: Standard Processing.

### Processing Information note
