Title/Description

Instances

People of Promise: Holy Land, 1958

reel AV 958

Scope and Contents

REV. JAMES T. ALBERTSON, PEOPLE OF PROMISE
ORG. A home movie of visitors from the NEF Foundation touring the Holy Land admiring the sights of a modern city with art and architectural history. Film has footage of temples, ancient Egyptian architecture, and street level views of the city. Some rural footage is also present with women and children going about daily activities such as gathering water and cultivating the land with camels. The film ends with examples of popular dance for the locals.

A Helping Hand in the Near East #3, 1968

reel AV 963

Conditions Governing Access:

Conditions Governing Access

Access copy currently unavailable. Please contact a RAC archivist for further instruction.

Scope and Contents

Film serves as a service announcement for agricultural reform and the bright young minds who are using education to help the community. Footage of daily life before and after changes with the end result being clean water for the locals. Shows NEF programs: campaign to eradicate Bilharzia in Dezful; the Ahwaz Agricultural College in Khuzistan province.

A Helping Hand in the Near East #3, 1957

reel AV 964

Conditions Governing Access:

Conditions Governing Access

Access copy currently unavailable. Please contact a RAC archivist for further instruction.

Scope and Contents

Film with narration speaking of a hope for Iran and their 'unproductive earth'. A team of specialists in mechanics, agriculture, sanitation and engineering meet to discuss plans for Iranian villages. The process of sanitation begins by spraying the houses and checking the animals. So that the progress continues men, women, and children are offered education.

Near East Adventure #2, 1957

reel AV 965

Scope and Contents

Footage consists of farming techniques in Iran. According to narration, the villages have experienced troubles with malaria so steps are taken to protect locals, livestock, and future produce from disease. The film ends with children learning at school.

Conditions Governing Access:

Conditions Governing Access

Access copy currently unavailable. Please contact a RAC archivist for further instruction.

Near East Adventure #4, 1957

reel AV 966

Scope and Contents

Documentary about NEF's activities in village of Mamazon in Northern Iran, near the Alborz Mountains. Introducing the challenges of traditional agriculture in Iran ("No one on earth works harder than an Iranian farmer"), shows the transformation of the village through a regimen of NEF programs, including a campaign against malaria, the increase in economic productivity through the introduction of tractors, wells, and pumps for drinking water. Social changes include the first local elections, with footage of the voting process and the use of cutout shapes as ballots b/c of the villagers' illiteracy. Also shows efforts to eradicate this illiteracy through programs for women & the elderly.
