Revision Description

Conditions Governing Use note

Permission is required in order to publish or otherwise use photographs and other visual materials of living members of the Rockefeller family. See RAC Head of Reference for details.

Images of Happy Rockefeller while she is officially serving as the First Lady of New York or as the Second Lady of the United States are open for scholarly use.

RAC users must abide by all applicable provisions of United States copyright law.

Processing Information

Level 2 Limited Processing has been conducting, primarily focused on expanding archival description and enhancing access to the holdings. Future processing will take additional steps to facilitate long-term preservation.

Conditions Governing Access note

Open for research with select materials restricted as noted. Brittle or damaged items are available at the discretion of RAC. Researchers interested in accessing digital media (floppy disks, CDs, DVDs, etc.) or audiovisual material (audio cassettes, VHS, etc.) in this collection must use an access surrogate. The original items may not be accessed because of preservation concerns. To request an access surrogate be made, or if you are unsure if there is an access surrogate, please contact an archivist.

Physical Description: 10.8 Cubic Feet 9 record storage cartons.

General note

KEY

1008

Nelson A. Rockefeller

.15

Record Group number; 15, Gubernatorial

/123

Image identification number; used for loose, miscellaneous photographs

/Roll819A

Photographer's roll number; utilizes a photographer's numbering system for a large series of photographs, usually used to identify contact sheets (a contact sheet bears several separate images on a single piece of photographic paper showing all, or a portion, of the images on a roll of film)

Numbers in ()

Number of images on a contact sheet

EXAMPLES

1008.15/123

Image number (not from a contact sheet)

(18), 1008.15/Roll819A

Identification number for a contact sheet bearing 18 images

1008.15/Roll819A/12

Identifying number for a distinct image on a contact sheet, in this case frame number 12
