Conditions Governing Access

Collection is open for research with select materials restricted as noted. Brittle or damaged item may be restricted at the discretion of RAC.

When requesting to view audiovisual material, please refer to the Title and the AV Number (example: AV 1916). Researchers are asked to check the "Restrictions" note for each Title. If a Title does not currently have an access copy, please contact a RAC archivist for further instruction.

Processing Information

Level 2 Minimal Processing has been conducted to establish basic intellectual and physical control of the material and assess immediate preservation and conservation needs. Material remains as received, in original folders and storage boxes.

Related Materials

Separated Materials

Special format items (audio, film, video, library materials, memorabilia, oversize, and photographic material) have been separated from the body of the collection and assigned a unique separation number, as noted. Requests to access open special formats should reference the unique separation number.
