### NOTE TO RESEARCHERS

This series contains a portion of the office files of N. Lee Cook, a member of Nelson A. Rockefeller's staff. They document official activities in the execution of his duties as a member of Nelson A. Rockefeller's staff. The actions, decisions, and exchanges of information or points of view documented here occurred in the course of proposing and implementing policies for the Rockefeller administration, political campaigns, and/or Rockefeller's personal activities. However, unless a document is specifically addressed to or from Rockefeller, or is referred to in a document addressed to him, it should not be assumed he saw the document or was aware of its existence or substance. Furthermore, researchers should bear in mind that staff files may contain documents or drafts addressed to Rockefeller that were never shown to him.

### SCOPE AND CONTENT

This small series contains a portion of the files of N. Lee Cook, who served as a Program Assistant for Governor Nelson A. Rockefeller. These files are specifically related to Affirmative Action Programs. The majority of the files contain significant documentation of the Affirmative Action Program of Greater Buffalo (BAAP) and the work undertaken by that organization in 1970 and 1971. Primarily, these files deal with construction issues and equal employment opportunities, as well as affirmative action concerns on construction sites around New York State.
