Processing Information note

Level 1 Minimal Processing has been conducted to establish basic intellectual and physical control of the material and assess immediate preservation and conservation needs. Material primarily remains as received, in original folders and storage boxes. Some records have been rehoused into acid-free archival folders. Processing conducted by BJG, 1988 September 22.

Conditions Governing Access note

Collection is open to scholarly research.

RAC is unable to provide access to obsolete media. When feasible, a digital surrogate may be created via special order. All applicable charges will apply. See RAC Head of Archival Services or RAC Head of Digital Programs for details.

Controlled Access Headings

- Rockefeller University.

Other Finding Aids note

A PDF container list for this collection is available.
